The Manor House Gosforth

Gosforth

Rated as 'Outstanding' by CQC in January 2020, The Manor House Gosforth is situated in the heart of a vibrant community, on the outskirts of Newcastle-upon-Tyne.

The luxurious standards at The Manor House are synonymous with those expected in a luxury hotel, with beautiful rooms, a bar/ cafe, hair and beauty salon and a private restaurant where residents can enjoy dining with their families.

Private landscaped south-facing gardens with a bowling green, private seating areas and water features also help to ensure The Manor House is the place to be. Care is provided by a highly trained team, whose focus is on providing an exceptional level of individualised care for each resident. The Manor House Gosforth provides residential, dementia and respite care.

The Manor House Harrogate

Harrogate

The Manor House Harrogate, situated on the prestigious Duchy Estate, has 87 large private rooms and provides residential, dementia and respite care. The Manor House has been sensitively designed and carefully built with traditional materials to integrate with the character of the surrounding area.

Each resident will feel independent and fulfilled. The focus is on ensuring residents enjoy a great quality of life. The Manor House Harrogate has been designed to be a community within the community, with a full range of facilities of the highest quality.

Facilities and services for residents include the wellness lodge which has a hydrotherapy pool and treatment room. In the main building, facilities include a hair and beauty salon, library areas, shop, restaurant, garden café bar and a private dining room for special family occasions.

Wetherby Manor

Wetherby

Situated in the heart of this lovely market town and set within award-winning gardens, Wetherby Manor provides the highest standard of individualised care within five-star luxury accommodation.

The suites are designed for residents to enjoy their own private accommodation within small living groups which are beautifully appointed and homely. The interior is light, bright and spacious. Furnishings are luxurious and comfortable, with carefully chosen colours, textures and accessories.

It is the care home's priority that the residents feel completely at home and independent, whilst at the same time ensuring 24-hour personal care.

At Wetherby Manor each resident is cared for based on their individual needs and are involved in all decisions about their care and accommodation.

Their residential, nursing and dementia care residents are assured of the best possible care.

The Burlington

Shepperton

The Burlington, situated in the heart of Shepperton Village offers private rooms with full en-suite facilities providing luxury living and comfort. The lounges and dining areas are designed to maximise daylight with floor to ceiling windows creating a relaxing living environment.

Interiors are tastefully designed giving a soft and understated homely effect. The home boasts a piano bar which is a focal point of the home, where many events and gatherings are hosted. Additional features such as a hair and beauty salon, private dining room, big-screen cinema room and hobby room make The Burlington best in class. Accessible landscaped gardens with a central courtyard complete the picture.

The Burlington's dedicated team provide care tailored to individual needs, with emphasis on socialising, dining and enjoying life. All this for an all-inclusive transparent fee structure.
